

Title 1

Why not introducing your subject, your thesis and what is your goal.
Short is better, people don't like to read.

Title 3

From what we have seen in [1], we can decide to save the planet or leave it worse.

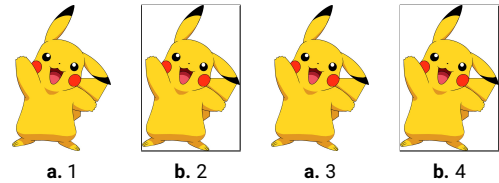

Figure 3 : Hi!

Title 4

Let's introduce a new way to order : Aurore Market [2]. You can eat organic, it's shipped directly to your home and it's healthier than food from common supermarket ;)
